FULLER-AUSTIN ASBESTOS SETTLEMENT TRUST

June 29, 2026

To: All Law Firms filing Secondary Exposure claims and each Pro Se claimant with a Secondary Exposure Claim filed with the Fuller-Austin Asbestos Settlement Trust (the "***Trust***"):

Pursuant to the Sixth Amended Claims Resolution Procedures of the Trust (as they may be amended from time to time, the "***CRP***"), and with the approval of the Trust Advisor and the Future Claims Representative, the Trust has adopted the following policies with respect to secondary exposure claims, effective with respect to all secondary exposure claims currently filed with the Trust (and not previously allowed) and all secondary exposure claims filed with the Trust after the date hereof:

1. Without changing the criteria for allowance of secondary exposure claims as provided in the CRP, a discounted cash payment election for a lump sum payment of $800 will be available for all allowed secondary exposure claims. The discounted cash payment is not subject to the payment percentage or to a supplemental payment adjustment in the event the payment percentage is increased in the future.

2. The Trust has adopted the policy (the "***Five-Year Exposure Policy***") that all secondary exposure claims ***other than mesothelioma claims*** will be required to provide (a) credible evidence of exposure by the occupationally exposed person ("***OEP***") to asbestos-containing material sold, installed, or removed by Fuller-Austin ("***Fuller-Austin ACM***") at a site on the Fuller-Austin site list ***for a period of not less than 5 years*** during the designated time periods for that site prior to December 31, 1982 and (b) credible evidence of exposure by the claimant to the OEP and the take home asbestos fibers ***for a period of not less than 5 years*** during the time period of the OEP's exposure to Fuller-Austin ACM prior to December 31, 1982. Claimants with secondary exposure claims for mesothelioma will continue to be required to provide the evidence of exposure required by the CRP, ***but the Five-Year Exposure Policy will not apply to mesothelioma claims***.

3. Secondary exposure claims that make the discounted cash payment election will be reviewed under a more limited review standard, but all secondary exposure claims ***other than mesothelioma claims*** will be required to comply with the Five-Year Exposure Policy.

4. From and after July 1, 2026 (the "***Effective Date***"), a processing fee of $100 will be required to be paid to the Trust with the initial filing of a secondary exposure claim. Payment of the processing fee must be made as noted below. No secondary exposure claim filed on or after the Effective Date will be processed by the Trust or be eligible for payment without the payment of the processing fee.

5. If the claimant makes the discounted payment election at the time of the initial filing of a secondary exposure claim and the claim is allowed, the processing fee will be refunded with and paid in addition to the $800 lump sum payment. If the claimant makes the discounted payment election and the claim is not allowed, the processing fee will be non-refundable. If the claimant does not make the discounted payment election and the secondary exposure claim is processed by individualized review or if the claimant makes the election or pays the processing fee after the initial filing of the secondary exposure claim, the processing fee will be non-refundable, even if the claim is allowed.

6. Following the Effective Date, the claims audit that is currently in effect for secondary exposure claims other than mesothelioma claims will be suspended. The holders of secondary exposure claims that are filed with the Trust as of the Effective Date will have the opportunity for a period of 90 days after the Effective Date (subject to extension by the Trust in individual cases for good cause) to make the discounted cash payment election without paying the processing fee. Pending deficiencies and requests for additional medical documentation for claims subject to the secondary exposure claims audit that timely make the discounted cash payment election after the Effective Date will be withdrawn, and those claims will be re-reviewed under the more limited review standard. Pending secondary exposure claims that do not timely make the discounted cash payment election after the Effective Date will continue to be processed by individualized review, and pending deficiencies and requests for additional medical documentation for those claims will continue to be applicable. For all secondary exposure claims reviewed under individualized review, the Trust currently intends to continue to make requests for additional medical documentation and more specific evidence of exposure as required and to apply the Five-Year Exposure Policy to all secondary exposure claims ***other than mesothelioma claims***.

The Trust's claims processing system is ready to process and pay secondary exposure claims under these policies. Attached to this Notice are the Law Firm form and Pro Se form for use to make the Secondary Exposure Discounted Cash Payment Election.

The processing fee must be paid by check made payable to the "Fuller-Austin Asbestos Settlement Trust" mailed to the Trust care of Verus Claims Services LLC at 3967 Princeton Pike, Princeton, New Jersey 08540. Note the Claimant's name and the Claim ID or Claimant's date of birth on the check.

FULLER-AUSTIN ASBESTOS SETTLEMENT TRUST

SECONDARY EXPOSURE DISCOUNTED CASH PAYMENT ELECTION

[Law Firm Form]

Claim ID: ____[1]

Claimant Name: ____________________________________
